**Supplemental Information Disclosure Statement Pursuant to 37 C.F.R. § 1.56**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of a claim of the subject application, Attorneys for Applicants hereby direct the Examiner's attention to the reference AA listed on the attached revised Form PTO/SB/08.

Applicants wish to bring to the attention of the Examiner that SEQ ID NO:1 and the corresponding cDNA clone of the present application is related to SEQ ID NO:4971 in copending U.S. Application Serial No. 09/912,292. A legible copy of that portion of U.S. Patent Application Serial No. 09/912,292 which caused it to be listed on the attached form PTO/SB/08 is submitted herewith as reference AA. A copy of reference AA is enclosed.

Applicants respectfully request that the Examiner review the materials identified above and that they be made of record in the file history of the application.

Identification of the materials identified above is not to be construed an admission of any individual associated with the filing or prosecution of the subject application that any such material is available as "prior art" against the subject application. Furthermore, Applicants do not waive any rights to appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the subject application.

Pursuant to 37 C.F.R. § 1.97(c), this supplementary information disclosure statement, being filed after the mailing date of a first Office Action on the merits but before the mailing date of a final office action, a notice of allowance, or an action that otherwise closes prosecution in the application, is accompanied by the fee specified under 37 C.F.R. § 1.17(p). No further fee is believed due in connection with the filing of this paper. However, should the Patent Office determine otherwise, please charge the required fee to Human Genome Science, Inc., Deposit Account No. 08-3425.

Respectfully submitted,

Date: October 2, 2003
